

KING PIN LANES SCHOLARSHIP PROGRAM GUIDELINES

- The King Pin Lanes Scholarship Program is designed to reward participation in youth bowling and to help youth bowlers build a scholarship account to further their post high school education.

- Kids of all ages are eligible as long as they are active in our Junior Bowling Program. The money accumulated by each Junior Bowler will remain in an account for them to use for their secondary education no matter if they participate in the program one year or ten years. REMEMBER – the more years your child participates, the more money they will be saving for their education – IT'S NEVER TOO EARLY TO START SAVING FOR YOUR CHILD'S FUTURE!!!

- Parent must complete Scholarship Agreement and cost is $3.00 per registered participant per year. This charge is to cover expenses.

- Kids participate in fundraisers and bowling activities to earn dollars for their higher education. A child must participate in at least one fundraiser during the year and must either sell or raise the minimum required amount for that fundraiser.

- As of spring, 2026, all future scholarship funds will be deposited in your child's USBC SMART account. This was done to simplify the funds request process and to keep funds all in one place. All funds transferred to the participant's SMART account are subject to the rules and guidelines specified by the USBC SMART program. SMART information can be found here: bowl.com/youth/smart.

- Existing funds will remain in the King Pin Lanes Scholarship Fund (these funds may be transferred to the participant's SMART account in the future upon King Pin Lanes discretion). To redeem these scholarship funds, a participant must complete a Request for Scholarship Funds form and submit along with applicable invoice(s). Funds will be sent directly to the school.
    - These funds will expire eight years after graduation. If a child in the scholarship program decides that they will not be seeking a secondary education, they may pass these scholarship dollars to a family member, as long as the owner of the scholarship dollars is 21 years of age or older. The family member must have been a USBC member for at least four years. If funds are unclaimed and no benefactor is named, the remaining funds will roll back into the general scholarship fund and be dispersed according to scholarship program needs.

- More information can be found on our website: kingpinlanes.net
